

New Hampshire Psychological Association Educational Foundation

Mission

Connecting Psychology and Mental Health through Education, Research & Recognition

Dear Friends,

The New Hampshire Psychological Association Educational Foundation (NHPAEF) **exists** to support the work of mental health in New Hampshire.

Approximately 1 in 5 adults in the U.S.—43.8 million—experiences mental illness in a given year. I am sure someone you know has been affected personally. Part of NHPA mission is to support continuing education opportunities to those that are on the front lines addressing issues like Addiction, Trauma, Dementia, Obsessive Compulsive Disorders and more. Attached you will find our calendar of events and projects for this coming year. Please join us in supporting this global crisis of need and become a sponsor of NHPA today.

Please return the attached sponsor sheet to NHPA as soon as possible. The sooner we link arms, the sooner we can spread the word that your organization is helping the cause! Please feel free to contact me directly with any questions you may have at jena@nhpsychology.org

Best Regards,

Jena Mottola
